

## **ELL Zoo Trip**

**Andrew McClemens**

**NPS Building:** Norfolk High School/AFS

**Grade:** 11th Grade, 12th Grade

**Subject:** ELL

**Amount Requested: \$750.00**

**Amount Remaining: \$250.00**

**Project Summary:** We will take a group of 25-30 ELL students to the Henry Doorly Zoo. This trip isn't just about seeing animals; it's a chance for these students to explore new cultures, learn about wildlife conservation, and practice their language skills in a fun and interactive setting.

**Itemized Budget:**

\$200-- Mileage (taking Vans, as busses cost too much)

\$285-- ticket prices

\$210-- round-trip train tickets

\$55-- Water and snacks

**Timetable and Plan:** April or Early May

7:30-- meet and take attendance / load vans

7:45-- depart Norfolk

10:00-- arrive at Zoo

12:00-- break for lunch (students can bring own or buy food at zoo)

3:00-- depart for Norfolk

5:00-- return time.

**Evaluation/Measurable Result:** We plan to gather evidence of the impact of the zoo trip through various means, including pre- and post-visit assessments of language proficiency and cultural awareness. Additionally, we will conduct observations during the trip to assess students' engagement and interactions. Follow-up activities and reflections will also provide valuable insights into the lasting effects of the experience on language acquisition and cultural competency.
