

Isaac Heimes Tribute Scholarship

Isaac Heimes is a 2021 graduate of Norfolk High School and a proud Norfolk Panther. A dedicated student-athlete, he competed in both basketball and golf during his time at NHS, achieving notable success as the district champion in golf during his senior year. In addition to his athletic accomplishments, he served on student council and was a member of the National Honor Society.

Isaac continued his academic and athletic pursuits at the University of Nebraska–Lincoln, where he earned a bachelor's degree in Finance and Accounting in 2025. While attending UNL, he was a member of the Nebraska Women's Basketball scout team, an experience that reinforced the values of teamwork and discipline and contributed meaningfully to his collegiate development. During this time, he met his wife, Maddie, and they were married on August 23, 2025.

Isaac currently resides in Omaha, Nebraska, where he is employed by JPMorgan Chase Bank as a Relationship Banker. This scholarship is established in recognition of the lasting impact of his academic and athletic experiences and is intended to carry that legacy forward by supporting future graduates of his alma mater.

It may be used for the remission of tuition, fees, books, room and board and will be awarded upon notification of acceptance prior to the beginning of the first semester of the academic year.
