

Lawrence and Hilda Jochens Memorial Enrichment Scholarship

Mr. and Mrs. Jochens farmed and fed Angus cattle in the rural Hoskins area for many years prior to retirement in 1986. Mr. Jochens was a member of the Nebraska Cattlemen's Beef Association and also an active member of Gideons International. Mrs. Jochens was a dedicated member of the Norfolk Garden Club and enjoyed creating beautiful floral arrangements. Mrs. Hilda (Brandenburg) Jochens passed away in 1989 and Mr. Lawrence Jochens passed away in 2004.

Mrs. Renee Halsey established this scholarship endowment in loving memory of her parents, Lawrence and Hilda Jochens. Her desire is to support the students of Norfolk High School and encourage them to seek a college education. She is proud to be part of a multigenerational family of graduates from Hoskins High School/Norfolk High School, and gladly gives back to her school district by supporting future generations of graduates with this scholarship.

Must be used for remission of tuition, fees, room, or board. This scholarship will be awarded upon notification of acceptance prior to the beginning of the first semester of the academic year.

Selection Criteria:

1. A written letter of recommendation from a NPS faculty/staff member is required.
2. Academic performance and extra curricular activities will be considered.
3. If two applicants seem equally qualified, financial need should be considered solely as secondary criteria. It is not necessary to complete an application.
4. Selection will be made by the NPSF Scholarship Committee.
