

Flexible Seating

Emma Colsden

NPS Building: Westside Elementary School

Grade: 3rd Grade, Kindergarten, 1st Grade, 4th Grade, 2nd Grade

Subject: Special Education

Amount Requested: \$750.00

Amount Remaining: \$750.00

Project Summary:

My goal for this project is to get flexible seating for the Resource room at Westside Elementary School.

Itemized Budget:

Wave Seat (\$75 x 6 seats = \$450)

Balance Ball Chair (5 x \$58 = \$290)

Timetable and Plan:

I would like to have these flexible seating options available by the beginning of the 2024-2025 school year.

Evaluation/Measurable Result:

I will observations to see if my students with sensory needs do not have to take sensory breaks as often. I will also measure how participation is affected the choice of chair.
