Totals								

4 – Exceeds expectations – Everything the teacher would need is included and it offers above and beyond what would be expected for the course.

1 – Does not meet expectations – The textbook has many holes that would require to be filled by other sources in order to meet requirements.

3 – Meets expectations – Everything the teacher would need to teach the material is included in this one resource.

0 – Unacceptable – The textbook does not seem reasonable or effective, includes misinformation, or would not work with the vision of the school.

2 – Almost meets expectations – Will mostly meet requirements, but the teacher will need to supplement some aspects of the curriculum.
