| ELVPHD Risk Dial Guidelines and Recommendations for Schools |
|---|
| **Green: Low/Stable Risk** |
| • Low/stable does not mean "no risk". Precautions are still implemented as a means of remaining in an uninterrupted, in-person learning environment status.<br>• 100% of students on site for face to face learning<br>• NPS: **In Person Model:** All students in school buildings. Face coverings recommended for students and staff members. (May be required for some designated staff.) |
| **Yellow: Moderate Risk** |
| • Enhanced precautions are implemented as a means of remaining in an uninterrupted, in-person learning environment status.<br>• 100% of students on site for face to face learning<br>• NPS: **In-Person Model:** All students in school buildings. Face coverings strongly recommended for students and required for staff members. |
| **Orange: Elevated Risk** |
| • Further enhanced precautions are implemented as a means of minimizing disruptions to the in-person learning environment status.<br>• Hybrid Model with a combination of on-site/in-person instruction and remote (home-based) learning opportunities<br>• Students are divided into two learning groups with 2 days on-site/in-person instruction and 3 days remote/home-based learning opportunities each week.<br>• NPS: **Hybrid Model:** Students will alternate days of learning on site and remotely to lessen capacity. Face coverings required for students and staff members. |
| **Red: High/Severe Risk** |
| • Remote/home-based learning only<br>• No students will report for on-site/in-person learning<br>• NPS:**Remote Model:** All students learning remotely |
