NORFOLK, NEBRASKA
STUDENTS' RIGHTS AND RESPONSIBILITIES IN EXTRACURRICULAR ACTIVITIES
August,

The following rights and responsibilities are designed to strengthen self-discipline, to enhance physical and mental conditioning, to improve the health of the participant, and to provide due process to protect all students participating in extracurricular activities while attending the Norfolk Public Schools. It is the belief of the Norfolk Public Schools that students participating in activities should be held to a higher standard.

All students in grades 9 - 12 may be excluded from participation in extracurricular activities for the following infractions:

- Conduct constituting grounds for suspension or expulsion from the academic program as established in board policy.
- Any other violation of rules or standards of behavior under this policy.

Such exclusion shall be made only after the building administrator has made an investigation of the alleged conduct or violation and has determined that the student is guilty of the rules or standards of behavior contained in this policy. Before the exclusion(s) shall take effect, the student shall be given oral or written notice of the charges, an explanation of the evidence the authorities have, and an opportunity to present his/her version of the incident.

Activities Covered

All students engaged in activities, such as:

- Interscholastic activities, including but not limited to, speech, debate, band, choir, orchestra, DECA, FFA, FBLA, and athletics;
- Elected to a position of responsibility, including but not limited to, class officer, student council, or position of responsibility in any school activity;
- Representing the school in all school sponsored activities, including but not limited to, drama, Pink Panthers, band, and cheerleaders; or
- Honor Positions, including but not limited to Homecoming, Winter Royalty, and Prom will be governed by the following rules.

These rules apply to student conduct during the entire calendar year. If a student violates one or more of these rules, he/she shall be subject to discipline as described in this policy.

Eligibility

In order to compete in Nebraska School Activities Association sanctioned activities, and all school sponsored activities, students must:

- Successfully complete 20 academic credits the prior semester and,
- Be enrolled in 20 academic credits during the current semester.

Rules/Standards

The following rules and standards concerning student conduct for extracurricular activities are established to assist the Norfolk Public Schools in carrying out the function of the activity. The infractions are:

1. Possess, use, be under the influence of, sell or distribute alcohol or illegal drugs or possess drug paraphernalia.
 - a. In alcohol/drug related incidents, school administration shall recommend to families that students have an alcohol/drug evaluation performed by a qualified drug/alcohol counselor. The purpose of the evaluation is to help the individual student and the family. A list of local agencies is available from the principal, school nurse, or guidance counselor.
2. Possession or use of tobacco.
3. Engaging in any activity which is classified as a Class III Misdemeanor or more serious offense, as provided by the laws of the state of Nebraska. Offenses include but are not limited to: assault, threats and intimidation of students and/or faculty, shoplifting, theft, etc.
4. Classified as a Class IV or V Misdemeanor under the following categories:
 - a. Tobacco use by minors
 - b. Minor misrepresenting age to obtain tobacco
5. Knowingly and voluntarily bringing to school, possessing, handling, or transmitting or using any gun, knife, or other dangerous weapon in school, on school grounds, or at a school function off of school grounds.
6. Violation of the Norfolk Public Schools' Harassment Policy.
7. Offenses which are not specifically identified above, but which constitutes a danger to other students, interferes substantially with any extracurricular activity, or is deemed by the administration to be unacceptable.

Committing any act, which is classified as a felony by the State of Nebraska, may be considered a third offense under the exclusion section of this policy.

The above listing is not inclusive and the administration and school reserves the right to deal with all infractions and violations on an individual basis. All violations will be dealt with in an equitable manner.

A committee will be formed to deal with and interpret violations not listed or in question. The committee membership will be representative of the entire School Staff.

Exclusions

Exclusion(s) is (are) to take place in the activity or activities that the student is currently engaged in or in the next activity in which the student participates.

Students will not be allowed to serve exclusion in an activity if they were not involved in that activity the prior season or school year. They will not be allowed to participate in any other activity until the suspension is completed.

First Offense

When a student violates one of the previously listed infractions the building administrator (Assistant Principal) will exclude that student from their current activity or activities or their next activity for a term equal to one-fourth of the season.

Self Reporting

On a student's first violation of a rule listed in this policy, the student may reduce the exclusion from the activity or activities by one-half by:

- Self-reporting to the school administrator or current activity coach/sponsor within the first school day after the violation occurs, including Summer School days.

Self-reporting is an admission that the student violated a rule.

And

- In drug/alcohol violations completing an evaluation performed by a qualified drug/alcohol counselor/ (at the parent's/student's expense) and following the recommendations.
- In other violations an intervention with the student, parent, coach, Activities Director, and Counselor will be held. Students that violate a rule at school, at a school activity, or being witnessed by a school staff member may not Self-Report.

****The Self-Report option is only available for first-time offenders once during their high school (grades 9-12) career.**

Second Offense

The second time a student violates one of the previously listed individual rule or a combination of rules the building administrator will exclude the student from their current activity (activities) and/or their next activity for the equivalent of an entire season.

Third Offense

When a student accumulates a third violation of an individual rule or combination of rules listed previously the building administrator will exclude that student from extracurricular activities for a period of 12 months.

Fourth Offense

Any student accumulating four violations of an individual rule or combination of rules in paragraph I.A. of this policy will be excluded from extracurricular activities for the remainder of their high school career.

Procedures Of Disciplinary Consequences

Disciplinary consequences are to be administered with as much uniformity as possible. Students who are excluded from participation in extracurricular activities will be provided due process.

- A. The administration shall, as soon as is reasonably possible:
 - Summarize in a written statement to the student and the student's parent or guardian, the student's alleged conduct or violation of the rules or standards.
 - Make a reasonable effort to establish a conference between the parent or guardian and the student with the appropriate personnel before the student rejoins the activity.
 - File a copy of the written summary with the Building Head Principal .
- B. If the administrator makes a decision to discipline a student who is participating in an extracurricular activity and the parent or guardian does not accept this decision, the parent or guardian may appeal to the Building Head Principal . The student or the student's parent or guardian shall file the appeal within five school days of the receipt of the written notice. The Building Head Principal shall review the incident and the disciplinary action imposed by the administrator. The Building Head Principal shall inform the parent or guardian of his/her decision within seven calendar days from the date that the appeal is received.
- C. If the parent or guardian does not accept the decision made by the Building Head Principal, he/she may appeal, within five school days, to the Director of Student Services. The Director of Student Services shall review the incident and the disciplinary action imposed by the Building Head Principal. The Director of Student Services shall inform the parent or guardian of his/her decision within seven calendar days from the date the Director of Student Services decision is appealed.
- D. If the parent or guardian does not accept the decision made by the Director of Student Services, he/she may appeal, within five school days, to the Superintendent of Schools. The Superintendent shall review the incident and the disciplinary action imposed by the building administrator and/or the Director of Student Services . The Superintendent shall inform the parent or guardian of his/her decision within seven calendar days from the date the Director of Student Services decision is appealed.
- E. If the parent or guardian does not accept the decision made by the Superintendent of Schools, he/she may appeal to the Norfolk Public Schools' Board of Education, within five school days. The Board of Education shall review the incident and the decision made by the Superintendent of Schools. They shall inform the parent or guardian of their decision within thirty calendar days from the date that the appeal is received. Nothing in this policy shall preclude the student or the student's parent/guardian or representative from discussing and settling this matter with appropriate school personnel prior to the conference with the Director of Student Services, the Superintendent of Schools or the Board of Education.
